C.R. Couriers was founded in 2005 by Carl Rowlands. Based in Cardiff South Wales, with vehicles located throughout the UK, CRC is well positioned to offer you and your customers a fast, secure, reliable and professional service all at the most competitive rates in the UK.

With a large and growing fleet of professional drivers throughout the UK, with carry weights up to 1200 Kgs, all vehicles are fully insured for GIT & CMR and public liability up to £1 million.

We offer same day UK deliveries along with next day and 3 – 5 day deliveries.

Vehicles available for contract work.

Our services are offered using a large network of vehicles that can collect from your address anywhere in the United Kingdom for onward delivery of your shipment anywhere in the UK.
